**Madonna and Lourdes dine out in NYC**

Madonna and daughter Lourdes Leon got in some quality time in the Big Apple this week.

The Material Mom and 17-year-old Leon had dinner with four others at Lower East Side restaurant Stanton Social on Wednesday night.

Madge "showed off her guns in a sleeveless white

top and jeans," while the rest of the group rocked sweaters and denim, said a witness.

The party ordered dishes including veggie sliders, butternut squash ravioli and macaroni and cheese.

Leon recently played Betty Rizzo in LaGuardia High School's production of "Grease."
