Kelly Bensimon Devours a Burger at Stanton Social in NYC

Mom of two Kelly Bensimon was seen at New York's Stanton Social last week chowing down on their newest creation: The Big Sexy Burger. The pretty housewife showed joined the ranks of Heidi Klum, Kate Upton, and Kim Kardashian – all of whom have demonstrated how eating a burger can be so sexy. The new Stanton Social Burger is a secret, "Off The Menu" item that is only available Sunday-Thursday after 9:00PM. Only two dozen of them are available per night so hurry in!

The Big Sexy Burger is a mix of Short Rib, Chuck, Prime Age Ribeye, Ribeye Fat and Smoked Bacon. It is ground in-house and cooked in a cast iron pan and served with fancy sauce (mayo, ketchup, mustard, pickles, shallots etc.), onions caramelized in Coco-Cola, and a thick slice of American cheese, all between a Martin's Potato Bun. The perfect burger is paired with a decadent side of Bacon and Blue Cheese Fries and goes for \$18.
