Maksim Who? Kate Upton Gets Cozy With Nba Star Blake Griffin Wednesday Night In Nyc

Kate Upton is one in demand girl.

Despite rumors of a blossoming relationship with Maksim Chmerkovski, the supermodel had a sexy dinner date with NBA star Blake Griffin in New York Wednesday night.

Kate and Blake (hey, that rhymes) were spotted at New York hotspot Beauty & Essex.

Our spywitness tells us that Blake showed up to meet a group of friends around 10:30pm wearing a navy blue and white button down shirt and salmon colored pants.

Kate then strolled in around 11:30pm to join the group. She was spotted wearing skinny jeans, a nice top and heels.

Their group enjoyed Beauty & Essex favorites such as the Chille Relleno Empanadas, Lobster Tacos and Charred Shishito Peppers. The group included some Beauty & Essex staff members who have been long time friends of Griffin. The group was definitely there to party taking shots upon shots of Don Julio!

The entire party looked like they were all having a great time in each other's company – specifically Kate and Blake, who were very cozy with each other.

This should put reports of her dating Maksim to rest. Though she celebrated her twenty-first birthday with the dancing hunk, his brother, Val, denied a romance between the pair at the P&G Everyday Effect event in NYC on Tuesday.
