AnnaSophia Robb Beauty & Essex Brunch

AnnaSophia Robb heads into Beauty & Essex for brunch in New York City earlier this week. AnnaSophia joined by a group of friends, tried out the restaurant's newest additions to their brunch menu like red velvet waffles and fried chicken biscuit bites. Yum! After grabbing a bite to eat, AnnaSophia stopped to browse through the restaurant's front pawn shop where some of the beautiful vintage jewelry caught her eye. Late last week, AnnaSophia was spotted braving the wind while on a walk.
