Kate Upton and Blake Griffin: Dating, Possibly!

Has Kate Upton found herself another star athlete quasi-boyfriend?

The supermodel, who has previously been linked to Justin Verlander and Mark Sanchez, is now getting close with L.A. Clippers forward Blake Griffin.

The duo was seen at NYC hotspot Beauty & Essex this week. Sources say the NBA star showed up to meet a group of friends around 10:30 p.m.

Kate Upton, 20, showed up an hour later to join the group:

a The entire party looked like they were all having a great time in each other's company a specifically Upton and Griffin who were very cozy with each other."

Upton and Blake Griffin "were cuddling and holding hands," and although they were not seen making out," they seemed pretty cute together."

Doesn't it figure. On the bright side ... it may not be in person, but thanks to this recent video, we can appreciate the joy of Kate Upton topless
