New York's 12 Awesomest New Tacos

Wednesday, June 15, 2011, by Greg Morabito

Some are crispy, others are soft, but all of them are superb. Here's a list of New York's twelve best new tacos.

These are basically just beer-battered, deep fried chunks of fresh Maine lobster meat with a few dabs of jalapeno crema and cabbage slaw, on tortillas. They taste great if you're sober, and even better after a few glasses of **free Champagne**. (Photo: [Eating the Big Apple](#))
