Reservations for Two! Our NYC Valentine's Day Restaurant Guide

Valentine's Day is a fun day for couples. It's the one day you get to go above and beyond to show your love and affection for the one you adore. Some may choose to host their companion in a penthouse suite with five star accommodations. Others may choose to cook a romantic dinner in the comfort of their own home. However, for those who choose to have a casual dining experience at a restaurant, here are a few suggestions.

The Stanton Social A special prefix menu from Chef Chris Santos designed to be shared between two guests and also includes a glass of Moet Chandon Champagne upon arrival for you and your guest. The price for your party of two is \$150. DJ Dances will be spinning sexy tunes starting at 8pm, available February 14th. *For reservations call (212) 995-0099*
